Dear Families,

This Individual Arts Report provides a view of the arts education opportunities provided by this school. It includes information from the May 2019 Annual Arts Education Survey and from various New York City Department of Education databases.

A high-quality arts education transforms students' lives. Early immersion in the arts certainly transformed my own life. For that reason, I look forward to continuing our work with cultural partners, educators, and parents to ensure that every New York City public school student receives an equitable and excellent education that includes high-quality arts instruction.

In unity,

Richard A. Carranza, Chancellor
