Dear Families,

This *Individual Arts Report* provides a view of the arts education opportunities provided by this school. It includes information from the May 2019 Annual Arts Education Survey and from various New York City Department of Education databases.

A high-quality arts education transforms students' lives. Early immersion in the arts certainly transformed my own life. For that reason, I look forward to continuing our work with cultural partners, educators, and parents to ensure that every New York City public school student receives an equitable and excellent education that includes high-quality arts instruction.

In unity,

Richard A. Carranza, Chancellor

### SCHOOL'S ARTS PROGRAM DESCRIPTION

Intermediate School 7 is committed to providing all students with quality arts education. Our goal is for each student to explore his or her creative interest in a coherent and enriching environment allowing each student to reach their full potential within the arts. Intermediate School 7 is able to produce school-wide productions in each specific art competency, allowing students to spotlight their talents. In addition, we have continued our partnership with afterschool programs such as the United Activities Unlimited and the Multi-Cultural Group that provide further opportunity for students to showcase their individual and collaborative creativity.
