Dear Families,

This Individual Arts Report provides a view of the arts education opportunities provided by this school. It includes information from the May 2019 Annual Arts Education Survey and from various New York City Department of Education databases.

A high-quality arts education transforms students' lives. Early immersion in the arts certainly transformed my own life. For that reason, I look forward to continuing our work with cultural partners, educators, and parents to ensure that every New York City public school student receives an equitable and excellent education that includes high-quality arts instruction.

In unity,

Richard A. Carranza, Chancellor

SCHOOL'S ARTS PROGRAM DESCRIPTION

We believe in providing arts opportunities throughout the school day to expose all students to many art forms. We also believe in offering many arts opportunities to interested students to expand their opportunities to experience the arts. We offer many extra-curricular arts opportunities including: music, visual arts, digital media and dance. Students have an opportunity to work with resident artists and attend many arts-related field trips. On Saturdays we host the Fred Dolan Art Academy which provides visual arts instruction and college preparedness support to middle and high school students who are serious about visual arts.
